MarketAxess Holdings owns all of the issued and outstanding capital stock of MarketAxess SEF Corporation. MarketAxess Holdings is listed on the Nasdaq Stock Market, a national securities exchange registered with the SEC.

Rule 202. Board

(a) The Officers shall manage the day-to-day business operations of the MarketAxess SEF. The Board has the power and authority to call for review, and to affirm, modify, suspend or overrule, any and all decisions and actions of standing committees or special committees of the Board, or of any panel of Officers, related to the day-to-day business operations of the MarketAxess SEF.

(b) The Board may act only by the decision of an absolute majority in number of the Directors by vote at a meeting, by unanimous written consent without a meeting, or as otherwise set forth in the Certificate of Incorporation or By-laws.

(c) At all times, at least 35%, but no less than two, of the Directors shall be Public Directors. Each Director (including Public Directors) shall be appointed in accordance with the Certificate of Incorporation and By-laws, and shall serve until his or her successor is duly appointed, or until his or her earlier resignation or removal, with or without cause.

(g) A Public Director of the MarketAxess SEF specified in Rule 202 may also serve as a Public Director of an Affiliate of the MarketAxess SEF if he or she otherwise meets the requirements set forth in Rule 202(e)(1) through Rule 202(e)(4).

A Participant may only report an execution that has been effected through the MarketAxess SEF Trading System or has been executed under Chapter 6. (c) The Clearing Firm may, at any time prior to the execution of a Trade resulting from an RFQ or Order, notify the MarketAxess SEF that the Person on behalf of which an RFQ or Order is placed no longer has a sufficient credit or trading limit with the Clearing Firm to which the resulting Trade will be submitted for clearing. If such notification is received prior to the execution of said Trade, the MarketAxess SEF will use best efforts to withdraw the RFQ or Order.

(f) The Market Regulation Department shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Market Regulation Department may approve, deny, condition or limit any exemption request based on factors deemed by the Market Regulation Department to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be established and liquidated in an orderly manner.

(g) Nothing in this Rule 530 shall in any way limit:

(1) the authority of the MarketAxess SEF to take emergency action; or

(2) the authority of the Market Regulation Department to review at any time the positions owned or controlled by any Person and to direct that any such position be reduced to the applicable position limit established by the MarketAxess SEF pursuant to the Rules.

(1) Positions to be Aggregated. Position limits established by the MarketAxess SEF pursuant to the Rules shall apply to all positions in accounts for which a Person by power of attorney or otherwise directly or indirectly owns the positions or controls the trading of the positions. Such position limits shall also apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by, or the trading of the positions was done by, a single Person.

(2) Ownership of Accounts. Except as set forth in Rule 530(k) below, any Person holding positions in more than one account, or holding accounts or positions in which the Person by power of attorney or otherwise directly or indirectly has a 10% or greater ownership or equity interest, must aggregate all such accounts or positions, unless such Person is a pool participant in a commodity pool. The foregoing exception for pool participants shall not apply if the Person:

If an independent account controller is Affiliated with the eligible entity or another

independent account controller, each of the Affiliated entities must comply with the requirements set forth in CFTC Regulation 150.3(4)(i)(A)-(D).

(2) Positions held by FCMs or their separately organized Affiliates in Customer discretionary accounts or in guided account programs shall not be aggregated for position limit purposes, provided that the accounts meet the standards set forth in CFTC Regulation 150.4(d).

(3) Any Person claiming an exemption from aggregation for position limit purposes under this Rule 530 must, upon request by the Market Regulation Department, provide any information deemed necessary to support the exemption.

(l) Violations.

(1) No Person shall exceed the position limits established by the MarketAxess SEF pursuant to the Rules, unless an exemption is granted by the Market Regulation Department.

(2) The Market Regulation Department and the MarketAxess SEF Practices Committee shall have the authority to enforce the MarketAxess SEF Rules regarding position limits.

(3) Any Person making a bid or offer that would, if accepted, cause such Person to exceed the applicable position limits shall be in violation of this Rule 530.

(4) If a position exceeds position limits as a result of an Option assignment, the Person who owns or controls such position shall be allowed one (1) Business Day to liquidate the excess position without being considered in violation of the limits. Additionally, if, at the close of trading, a position that includes Options exceeds position limits when evaluated using the delta factors as of that day's close of trading, but does not exceed the limits when evaluated using the previous day's delta factors, then the position shall not constitute a position limit violation.

THE FOREGOING LIMITATION OF LIABILITY SHALL BE SUBJECT TO THE CEA AND REGULATIONS THEREUNDER.

(b) NOTWITHSTANDING SUBSECTION (a), (e), or (f) OF THIS RULE 536, IN NO EVENT SHALL ANY PERSON BRING ANY LEGAL ACTION (WHETHER IN TORT, NEGLIGENCE, OR BREACH OF CONTRACT) FOR

ANY OTHER ACTIONS, SUITS OR PROCEEDINGS AGAINST THE DISCLAIMING PARTY OR DISCLAIMING PARTIES MUST BE BROUGHT WITHIN TWO (2) YEARS FROM THE TIME THAT A CAUSE OF ACTION HAS ACCRUED. THIS PARAGRAPH (d) SHALL IN NO WAY BE CONSTRUED TO LIMIT A PARTY'S OBLIGATION TO ARBITRATE ITS CLAIM OR TO CREATE A CAUSE OF ACTION AND SHALL NOT AUTHORIZE AN ACTION THAT WOULD OTHERWISE BE PROHIBITED BY THE MARKETAXESS SEF RULES. IF, FOR ANY REASON, A COURT OF COMPETENT JURISDICTION FINDS THAT A DISPUTE IS NOT ARBITRABLE, SUCH DISPUTE MAY ONLY BE LITIGATED IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK AND WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY PROVISIONS OF NEW YORK LAW THAT WOULD APPLY THE SUBSTANTIVE LAW OF A DIFFERENT JURISDICTION.

IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY OR SINGLE MONTH CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A *PRO RATA* SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

Rule 537. The MarketAxess SEF Control Center

(a) Customer Support.

- (1) The MarketAxess SEF Control Center (“**MCC**”) provides customer support and problem management only to Participants.
- (2) In order to be eligible for MCC support, such Persons must be identified by a Participant as an authorized contact with the MCC (“**Authorized Contacts**”). The MCC provides customer support via a specified telephone number and during specified hours.
- (3) MCC employees may not always be available to assist Authorized Contacts.
- (4) Persons other than Authorized Contacts must contact their Participant Firms to make support requests.

(b) MCC Communications.

- (1) As provided in Rule 536, the MarketAxess SEF shall not be liable for any loss resulting from any inability to communicate with the MCC.
- (2) The liability of the MarketAxess SEF for the negligent acts of MCC staff shall be subject to the limitations and conditions of Rule 536.
- (3) In no event, however, shall the MarketAxess SEF be liable for the negligence of the MCC if the Person claiming to have suffered a loss could have secured the support it sought from the MCC through its own administrative terminal, its Clearing Firm’s terminal or an Independent Software Vendor’s (“**ISV**”) terminal.
- (4) For purposes of this rule, a Person is deemed able to take action through its own administrative terminal, a Clearing Firm’s terminal or an ISV’s terminal unless such terminal was inoperative or such terminal service was interrupted at the time the MCC took action.

(c) Order Status.

- (1) A Person who believes he has received an incorrect Order status or does not receive an appropriate status shall immediately notify the MCC. Additionally, such Person shall take any necessary and appropriate market action to mitigate any potential losses arising from the incorrect Order status or lack of appropriate Order status immediately after the Person knew or should have known that the Order status information was incorrect or should have been received. Any liability of the MarketAxess SEF for incorrect Order status shall be subject to the limitations and conditions of Rule 536.
- (2) Notwithstanding the above, the MarketAxess SEF shall not be liable for losses related to incorrect Order status information if the MarketAxess SEF provides prior notification that a MarketAxess SEF system, service or facility may produce such incorrect information and also provides notification of a means to obtain correct Order status information from such system, service or facility. In the event that the MCC and a MarketAxess SEF system, service or facility

provide conflicting information relating to an Order status, a Participant may only reasonably rely on the information received from the MCC. Any liability of the MarketAxess SEF shall be subject to the liability caps and conditions of Rule 536.

Rule 538. The MarketAxess SEF Trading System

(a) The Order Book is available for Required Transactions and Permitted Transactions.

(b) The MarketAxess SEF Trading System Click to Trade (“**CTT**”) system is only available for Permitted Transactions and Block Trades and allows for Participants to review indicative levels provided by other Participants and either:

(1) Place a market order requesting to hit or lift the indicative level (utilizing a Price/Time algorithm), subject to acceptance by the Participant providing the indicative level;

(2) Submit a firm resting order, allowing for another Participant providing indicative levels to either hit or lift the level; or

(3) Submit a limit order with either of the following characteristics:

(i) If the Participant selects order style “Notification,” they will be notified if a selected Participant enters a level better than or equal to the Participant’s limit. From this notification, the Participant will have the option to submit a firm resting order on the instrument just as they would in the standard CTT flow and counter flow.

(ii) If the Participant selects order style “Auto-Execute,” an Order will automatically be placed on behalf of the Participant if a selected Participant enters a level better than or equal to the Participant’s limit. From this point, the Trade flow will be identical to the standard CTT flow and counter flow.

(c) The MarketAxess SEF RFQ System is available for Required Transactions.

(1) The MarketAxess SEF also offers a request for quote system designed only for Permitted Transactions and Block Trades. This system will not be subject to the requirements of CFTC Regulation 37.9(a)(3).

Rule 539. Trade Cancellations and Price Adjustments

(a) MarketAxess SEF Control Center Authority Regarding Trade Cancellations and Price Adjustments.

(1) The MCC has authority to adjust trade prices or cancel (bust) Trades when such action is necessary to mitigate market disrupting events caused by the improper or erroneous use of the MarketAxess SEF Trading System or by system defects.

(2) Notwithstanding any other provisions of this rule, the MCC may adjust trade prices or bust any Trade if the MCC determines that allowing the Trade to stand as executed may have a material adverse effect on the integrity of the market.

(3) All decisions of the MCC shall be final.

(b) Review of Trades.

(1) The MCC may determine to review a Trade based on its independent analysis of market activity or upon request for review by a user of the MarketAxess SEF Trading System. A request for review must be made within 15 minutes of the execution of the Trade.

(2) The MCC shall determine whether or not a Trade will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news or in any other circumstance in which the MCC deems it to be appropriate, the MCC may determine, in its sole discretion, that a Trade shall not be subject to review.

(3) Upon deciding to review a Trade, the MCC will promptly issue an alert to all Participants via the MarketAxess SEF Trading System or electronic mail indicating that the Trade is under review.

(c) Price Adjustments and Cancellations.

(1) In reviewing a Trade, the MCC will first determine whether the trade price is within the No Bust Range, which shall mean the price of a MarketAxess SEF Swap was no more than 10% higher or lower than either the final settlement price or spread from the prior trading day for such MarketAxess SEF Swap.

(2) In applying the No Bust Range, the MCC shall use best efforts to determine the fair value market price for that MarketAxess SEF Swap at the time the trade under review occurred. The MCC may consider any relevant information, including, but not limited to, the last trade price in the MarketAxess SEF Swap or a better bid or offer price on the MarketAxess SEF Trading System, a more recent price for a different maturity date, the price of the same or related MarketAxess SEF Swap established in another venue or another market, the market conditions at the time of the trade, the theoretical value of an Option based on the most recent implied volatility and responses to an RFQ.

(3) Trade Price Inside the No Bust Range. If the MCC determines that the price of the Trade is inside the No Bust Range, the MCC will issue an alert indicating that the Trade shall stand.

(4) Trade Price Outside the No Bust Range.

i. If the MCC determines that a trade price is outside the No Bust Range, the MarketAxess SEF shall have the right (in its sole discretion) to cancel or adjust the price of such Trade.

ii. Busted trade prices and any prices that have been adjusted shall be cancelled in the MarketAxess SEF's official record of time and sales. Trades that are price-adjusted shall be inserted in the time and sales record at the adjusted trade price.

(d) Alternative Resolution by Agreement of Parties.

(1) With the approval of the MCC, parties to a Trade that is under review or price-adjusted may instead mutually agree to cancel or otherwise adjust the price of the Trade.

(2) With the approval of the MCC, parties to a Trade that is busted may instead mutually agree to price-adjust the Trade to a price consistent with the adjustment provisions of Rule 543(c).

(3) Subject to sections (d)(1) and (d)(2), parties to a Trade that is cancelled or price-adjusted may mutually agree to a cash adjustment, *provided* that such adjustments are reported to the MCC and the parties maintain a record of the adjustment.

(4) An executed Trade may not be reversed via transfer except where such Trade is determined by the MCC to be outside of the No Bust Range but not reported timely, subject to agreement of the parties and approval of the MCC. Any such transfer must occur at the original trade price and quantity; however, the parties may mutually agree to a cash adjustment.

(e) Liability for Losses Resulting from Price Adjustments or Cancellations.

(1) A party entering an Order that results in a price adjustment or trade bust shall be responsible for demonstrated claims of realized losses incurred by Persons whose trade prices were adjusted or busted, *provided, however*, that a claimant shall not be entitled to compensation for losses incurred as a result of the claimant's failure to take reasonable actions to mitigate the loss.

(2) A claim for a loss pursuant to this section must be submitted to the MarketAxess SEF within one (1) Business Day of the event giving rise to the claim. The MarketAxess SEF will reject any claim that is not filed in a timely manner and such decisions shall be final. Eligible claims shall be forwarded by the MarketAxess SEF to the party responsible for the Order(s) that resulted in a trade bust or a price adjustment. Such party shall, within ten (10) Business Days of receipt of the claim, admit or deny responsibility in whole or in part. Failure to respond to the claim within ten (10) Business Days shall be considered a denial of liability.

(3) To the extent that liability is admitted, payment shall be made within ten (10) Business Days. Unless otherwise agreed upon in writing by the parties, failure to make the payment within ten (10) Business Days shall be considered a denial of liability for purposes of this Rule. A copy of any such written agreement must be provided to the MarketAxess SEF.

(4) To the extent that liability is denied, the party making the claim may submit the claim for arbitration pursuant to Chapter 8 of the Rules. Such claims must be submitted to the MCC within ten (10) Business Days of the date the party was issued notification that liability was denied.

(f) Schedule of Administrative Fees. When MCC busts or price-adjusts a Trade, the party responsible for entering the Order into the MarketAxess SEF Trading System that gave rise to the trade bust or price adjustment shall pay an administrative fee to the MarketAxess SEF in the amount of \$500 for each such occurrence.

(3) Persons entering into a Block Trade under the MarketAxess SEF rules must agree upon which party to the Block Trade shall be responsible for reporting all of the terms of the Block Trade to the MarketAxess SEF as soon as practicable after execution of the Block Trade. The Participant must provide the MarketAxess SEF with the allocation for such Block Trade as soon as practicable (if applicable).

The Market Regulation Department will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the MarketAxess SEF that, in the judgment of the Market Regulation Department, indicates a possible basis for finding that a violation has occurred or may occur. (b) Any written report of investigation ("**Investigative Report**") will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, the Market Regulation Department staff's analysis and conclusions, and the recommendation of the Market Regulation Department. The potential respondent shall submit such written statement within the time limit established by the Market Regulation Department.

Rule 705. Review of Investigative Reports

(a) Review of Investigative Reports by the Chief Compliance Officer.

(1) Within thirty (30) days of the receipt of a completed Investigative Report, the Chief Compliance Officer will review the completed Investigative Report to determine whether a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur.

(2) If the Chief Compliance Officer determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur, the Chief Compliance Officer will direct the Market Regulation Department to conduct further investigation.

(3) Upon receiving the completed Investigative Report or after receiving additional information upon the completion of an investigation, the Chief Compliance Officer will determine for each potential respondent whether to authorize:

i. the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted, in which case the Chief Compliance Officer shall provide a written explanation to the Regulatory Oversight Committee; or

ii. the closing of the investigation without any action because no reasonable basis exist to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur, in which case the Chief Compliance Officer shall provide a written explanation to the Regulatory Oversight Committee; or

iii. the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur.

(b) Review of Investigative Reports by the Disciplinary Panel.

(1) After receiving a completed Investigative Report pursuant to Rule 703, a Disciplinary Panel must promptly review the report and, within thirty (30) days of such receipt, must take one of the following actions:

i. If the Disciplinary Panel determines that additional investigation or evidence is needed, it must promptly direct the Market Regulation Department to conduct further investigation.

ii. If the Disciplinary Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision and the Chief Compliance Officer shall provide the written statement to the Regulatory Oversight Committee.

iii. If the Disciplinary Panel determines that a reasonable basis exists for finding a violation and adjudication are warranted, it must direct that the Person alleged to have

committed the violation be served with a notice of charges and proceed in accordance with the rules of Chapter 7.

(2) A failure of the Disciplinary Panel to act within the time prescribed in Rule 705(b) shall not prevent the Chief Compliance Officer from acting pursuant to Rule 705(a). The Chief Compliance Officer shall inform the Regulatory Oversight Committee of any such failure of the Disciplinary Panel to act.

(3) Any conflict between the actions of the Chief Compliance Officer pursuant to Rule 705(a) and the Disciplinary Panel pursuant to Rule 705(b) shall be resolved by the Regulatory Oversight Committee.

Rule 706. Notice of Charges

(a) If the Chief Compliance Officer or Disciplinary Panel authorizes disciplinary proceedings pursuant to Rule 705(a)(3)(iii) or 703(b)(1)(iii), the Market Regulation Department will prepare, and serve in accordance with Rule 708, a notice of charges.

(b) A notice of charges will:

(1) state the acts, practices or conduct that the respondent is alleged to have engaged in;

(2) state the MarketAxess Rule or provision of Applicable Law alleged to have been violated or about to be violated;

(3) state the proposed sanctions;

(4) advise the respondent of its right to a hearing;

(5) advise the respondent that it has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process;

(6) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than twenty (20) days after service of the notice of charges;

(7) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and

(8) advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

Rule 707. Answer to Notice of Charges

(a) If the respondent determines to answer a notice of charges, the respondent must file answers within twenty (20) days after being served with such notice, or within such other time period determined by the Chief Compliance Officer.

(b) To answer a notice of charges, the respondent must in writing:

- (1) specify the allegations that the respondent denies or admits;
- (2) specify the allegations that the respondent does not have sufficient information to either deny or admit;
- (3) specify any specific facts that contradict the notice of charges;
- (4) specify any affirmative defenses to the notice of charges; and
- (5) sign and serve the answer on the Chief Compliance Officer.

(c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

Rule 708. Service of Notice of Charges

(a) Any notice of charges or other documents to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete either personally or by leaving the same at his or her place of business; or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of the MarketAxess SEF.

(b) Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete via electronic mail to the electronic mail address as it appears on the books and records of the MarketAxess SEF.

Rule 709. Settlements

(a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.

(b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.

(c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the MarketAxess SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Compliance Officer with

a recommendation whether to accept or reject the offer. Any preliminary determination by the Chief Compliance Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Compliance Officer shall conditionally accept an offer of settlement, and the settlement will become final upon the expiration of twenty (20) days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.

(e) If an offer of settlement is accepted by the Disciplinary Panel, the panel accepting the offer must issue a written decision specifying the Rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full customer restitution where customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Compliance Officer, the decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the MarketAxess SEF Rules.

(g) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer and the Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent, potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

Rule 710. Disciplinary Panel

(a) The Disciplinary Panel shall:

(1) review completed Investigative Reports in order to determine whether a reasonable basis exists for finding a violation of the MarketAxess SEF's rules and for authorizing the issuance of notices of charges against persons.

(2) conduct hearings in connection with any disciplinary proceedings (except for summary impositions of fines pursuant to Rule 717), make findings, render decisions and impose sanctions pursuant to this Chapter 7.

(b) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year, subject to reappointment by the Board, as potential participants on the Disciplinary Panel. The Chief Compliance Officer shall recommend at least one (1) individual who will satisfy the conditions of a Public Individual and at least two (2) Participants or employees of Participants and two (2) non-Participants. The term of an individual who has been selected as a member of a Disciplinary Panel will not expire until the related proceedings are completed. The Board shall not appoint the Chief Compliance Officer, any employee of the Market Regulation Department, or any

person involved in adjudicating any other stage of the same proceeding to be a member of a Disciplinary Panel.

(c) The chair of any Disciplinary Panel shall be a Public Individual.

(d) The Chief Compliance Officer shall select a separate Disciplinary Panel prior to the commencement of each investigative or disciplinary matter by randomly selecting at least one Public Individual and the remaining individuals from the industry participant pools so that any group or class of industry participants is precluded from dominating or exercising disproportionate influence on the Disciplinary Panel being formed.

(e) If an individual selected is an Interested Person or if a member of the Disciplinary Panel later becomes an Interested Person, a replacement for such individual shall be randomly selected by the Chief Compliance Officer.

(f) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 213 or for any other reasonable grounds, including that such individual has a financial interest in the matter, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The General Counsel of the MarketAxess SEF will decide the merits of any request for disqualification in his or her sole discretion. Any such decision will be final and not subject to appeal.

(g) No person shall serve on a Disciplinary Panel unless that person has agreed in writing that he or she will not publish, divulge or make known in any manner, any facts or information regarding the business of any Person or any other information which may come to his or her attention in his or her official capacity as a member of the Disciplinary Panel, except when reporting to the Board or to a committee concerned with such information or to the Market Regulation Department, when requested by the CFTC or other Government Agency or when compelled to testify in any judicial or administrative proceeding.

(h) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a MarketAxess SEF investigation, as permitted by Rule 213 or as required by law.

(i) The Chief Compliance Officer has the authority to delegate the formation and staffing of Disciplinary Panels under this Rule 710 to the RSP as per the terms of the Regulatory Services Agreement.

Rule 711. Convening Hearings of Disciplinary Proceedings

(a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.

(c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chair of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The General Counsel of the MarketAxess SEF, or its designee, will provide guidance to the chair of the Disciplinary Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chair of the Disciplinary Panel pursuant to paragraph (c) above and Rule 712, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

Rule 712. Respondent Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the MarketAxess SEF that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and the MarketAxess SEF will have no obligation to disclose, any information protected by attorney-client privilege.

(b) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information, or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:

(1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges; and

(2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.

(d) For purposes of this Rule 712, information that could adversely affect competitive positions include positions in MarketAxess SEF Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized Trader and the personal finances of the Person providing the information.

Rule 713. Conducting Hearings of Disciplinary Proceedings

(a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 707, the respondent shall be entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Market Regulation Department and each respondent may:

- (1) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
- (2) call and examine witnesses; and
- (3) cross-examine witnesses called by other parties.

(c) If the respondent fails to file an answer, files a general denial or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 707.

(d) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(2) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals), Authorized Traders and other Supervised Persons that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The MarketAxess SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(e) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the MarketAxess SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 707. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Market Regulation Department provide the Disciplinary Panel with any additional information related to the violations at issue.

(f) The Disciplinary Panel may summarily impose sanctions on any Participant, Authorized Trader or other Supervised Person that impedes or delays the progress of a hearing.

(g) The MarketAxess SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel or chair of the Disciplinary Panel are permitted.

Rule 714. Decision of Disciplinary Panel

(a) As promptly as reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The MarketAxess SEF will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:

(1) the notice of charges or summary of the allegations;

(2) the answer, if any, or a summary of the answer;

(3) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;

(4) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;

(5) each specific Rule of the MarketAxess SEF and provision of Applicable Law that the respondent is found to have violated; and

(6) the imposition of sanctions, if any, including the basis for such sanctions and the effective date of each sanction.

Rule 715. Sanctions

(a) After notice and opportunity for hearing in accordance with the MarketAxess SEF Rules, the MarketAxess SEF will impose sanctions if any Participant, Authorized Trader, other Supervised Person or other Person using any of the Participant's user IDs is found to have violated or to have attempted to violate a Rule of the MarketAxess SEF or provision of Applicable Law for which the MarketAxess SEF possesses disciplinary jurisdiction. All sanctions, including sanctions imposed pursuant to an accepted settlement offer, must take into account the respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution, except where the amount of restitution or to whom the restitution should be provided cannot be reasonably determined. The MarketAxess SEF may impose one or more of the following sanctions or remedies:

- (1) censure;
- (2) limitation on Trading Privileges, ability to otherwise access the MarketAxess SEF Trading System, and/or other activities, functions or operations;
- (3) suspension of Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System;
- (4) fine (subject to paragraph (b) below);
- (5) restitution or disgorgement;
- (6) termination of Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System;
- (7) a warning letter, provided that no more than one warning letter is issued to the same Participant for the same violation in a rolling twelve (12)-month period; or
- (8) any other sanction or remedy deemed to be appropriate.

(b) The MarketAxess SEF may impose a fine of up to \$500,000 for each violation of a Rule of the MarketAxess SEF or a provision of Applicable Law. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The MarketAxess SEF has sole discretion to select the bank on whose quotations to base the prime rate. Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders or Supervised Persons.

Rule 716. Reserved.

Rule 717. Summary Imposition of Fines

(a) The Chief Compliance Officer may summarily impose a fine against a Participant (on behalf of itself or any of its Authorized Traders, other Supervised Persons or other Persons using any of its user IDs) or Authorized Trader for failing:

- (1) to make timely payments of fees, cost, charges or fines to the MarketAxess SEF;
- (2) to make timely and accurate submissions to the MarketAxess SEF of notices, reports or other information required by the MarketAxess SEF Rules; and
- (3) to keep any books and records required by the MarketAxess SEF Rules.

(b) The Market Regulation Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 717 to each Participant or Authorized Trader subject thereto. The notice will specify:

- (1) the violations of the MarketAxess SEF Rules for which the fine is being imposed;
- (2) the date of the violation for which the fine is being imposed; and
- (3) the amount of the fine.

Within 20 days of serving the notice of fine, the Participant or Authorized Trader, as the case may be, must either pay or cause the payment of the fine. The fine will become final upon the expiration of 20 days after the notice of fine is served on the Participant or Authorized Trader, as the case may be.

(c) The MarketAxess SEF will set the amount of any fines imposed pursuant to this Rule 717, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 717 will not preclude the MarketAxess SEF from bringing any other action against the Participant (or any of its Authorized Traders or other Supervised Persons) or Authorized Trader, as the case may be.

Rule 718. Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the MarketAxess SEF Rules to the contrary, the Chief Compliance Officer may, after consultation with the Regulatory Oversight Committee, if practicable, summarily suspend, revoke, limit, condition, restrict or qualify a Participant's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System, and may take other summary action against any Participant or any of its Authorized Traders or Supervised Persons in accordance with the MarketAxess SEF Rules; provided, however, that the Chief Compliance Officer must reasonably believe that the business, conduct or activities of the Participant or any of its Authorized Traders or Supervised Person in question is not in the best interests of the MarketAxess SEF or the marketplace, including based on any of the following:

- (1) statutory disqualification from registration as provided in CEA Sections 8a(2) or (3);
- (2) nonpayment of fees, costs, charges, fines or arbitration awards; or
- (3) the reasonable belief that immediate action is necessary to protect the public or the best interests of the MarketAxess SEF.

(b) Whenever practicable, the MarketAxess SEF shall provide prior written notice to the party against whom any action in accordance with paragraph (a) shall be taken. If prior notice is not practicable, the MarketAxess SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought.

(c) The summary action will become final upon the expiration of 20 days after the notice of action is served on the respondent.

(d) At the request of the MarketAxess SEF, a respondent against whom a summary action is brought pursuant to this Rule 718 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the MarketAxess SEF in connection with the enforcement of any Rule of the MarketAxess SEF.

(e) A respondent whose Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are suspended, revoked, limited, conditioned, restricted or qualified pursuant to this Rule 718 may apply for reinstatement by filing with the Market Regulation Department a written request stating the applicant's reasons for seeking reinstatement. The MarketAxess SEF will not consider a respondent's request for reinstatement if the respondent (i) owes any fines, fees, charges or costs to the MarketAxess SEF, (ii) continues to fail to appear at disciplinary proceedings without good cause or (iii) continues to impede the progress of disciplinary proceedings.

(f) Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Market Regulation Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, the MarketAxess SEF may require any Participant, Authorized Trader or other Supervised Person to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

(g) As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the notice of summary action issued pursuant to Rule 718(b) above. The Appeals Panel's order may not be appealed.

Rule 719. Rights and Responsibilities after Suspension or Termination

(a) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Order into the MarketAxess SEF Trading System and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply during the period of the suspension, except for the right of the Participant or Authorized Trader in question to assert claims against others as provided in the MarketAxess SEF Rules. Any such suspension will not affect the rights of creditors under the MarketAxess SEF Rules or relieve the Participant or Authorized Trader in question of its, his or her obligations under the MarketAxess SEF Rules to perform any MarketAxess SEF Swaps entered into before the suspension, or for any MarketAxess SEF fees, costs, or charges incurred during the suspension. The MarketAxess SEF may discipline a suspended Participant or Authorized Trader under this Chapter 7 for any violation of a Rule of the MarketAxess SEF or provision of Applicable Law committed by the Participant or Authorized Trader before, during or after the suspension.

(b) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are terminated, all of its related rights will terminate, except for the right of the Participant or Authorized Trader in question to assert claims against others, as provided in the MarketAxess SEF Rules. Any such termination will not affect the rights of creditors under the MarketAxess SEF Rules. A terminated Participant or Authorized Trader may only seek to be reinstated by applying for Trading Privileges pursuant to Rule 302.

(c) The MarketAxess SEF will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.

(d) A suspended or terminated Participant or Authorized Trader remains subject to the MarketAxess SEF Rules and the jurisdiction of the MarketAxess SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or Authorized Trader still had Trading Privileges or ability to otherwise access the MarketAxess SEF Trading System.

(e) RESERVED

Rule 720. Notice to the Respondent, the Regulatory Services Provider and the Public

The MarketAxess SEF will provide written notice of disciplinary proceedings to the parties and the Regulatory Services Provider consistent with applicable CFTC Regulations. Whenever the MarketAxess SEF suspends, expels, fines or otherwise disciplines, or denies any Person access to the MarketAxess SEF, the MarketAxess SEF will make the required notices and disclosures required by Part 9 and all other applicable CFTC Regulations.

CHAPTER 8: ARBITRATION RULES

Rule 801. Disputes Subject to Arbitration

(a) Mandatory Arbitration of Disputes Among Participants.

(1) It is contrary to the objectives and policy of the MarketAxess SEF for Participants to litigate MarketAxess SEF-related disputes. Participants must arbitrate all disputes between or among themselves that relate to or arise out of any transaction executed on, or otherwise subject to the Rules of, MarketAxess SEF that are based upon facts and circumstances that occurred at a time when the parties were Participants through the NFA Arbitration Program. Such arbitration shall be conducted pursuant to the Rules and the rules of the NFA Arbitration Program or another arbitration program permitted by the CFTC Regulations within two (2) years from the occurrence of the event giving rise to the dispute. This Rule shall in no way create a cause of action nor authorize an action that would otherwise be prohibited by the MarketAxess SEF Rules.

(2) Notwithstanding the foregoing, this Rule 801 does not require an employee of a Participant to submit to arbitration any claim that includes allegations of a violation of federal, state or local employment discrimination, sexual harassment, wage payment or benefits laws.

(b) Claims against the MarketAxess SEF or Clearing House.

(1) Claims Against the MarketAxess SEF. Claims against the MarketAxess SEF pursuant to the provisions of Rules 536 and/or Rule 539 can be submitted to arbitration through the NFA Arbitration Program or another arbitration program permitted by the CFTC Regulations. Such arbitration shall be conducted pursuant to the Rules and the rules of the arbitration Program.

(2) Claims Against the Clearing House. Claims against the Clearing House must be pursued pursuant to the rules of the Clearing House.

(c) Permissive Arbitrations. The following may be submitted for arbitration through the NFA Arbitration program and, in the event such a claim is submitted against a Participant, that Participant is required to arbitrate the dispute under these Rules, unless otherwise provided:

(1) claims of a Customer that is not a Participant against a Participant that relate to or arise out of any transaction executed on, or otherwise subject to the Rules of, MarketAxess SEF;

(2) claims against a Participant pursuant to Rule 539;

(3) claims of a Customer that is not a Participant against a Clearing Firm responsible for the performance of a MarketAxess SEF Swap executed on, or subject to the Rules of, MarketAxess SEF and/or against a Participant in connection with such a transaction; and

(4) at the discretion of the Chief Compliance Officer, any claim involving the interests of the MarketAxess SEF, its Participants, their business relations or swaps trading in general not otherwise arbitrable under these rules, provided the parties have consented to such arbitration.

(d) Waiver of Any Objection to Jurisdiction. Any Person who is not a Participant who submits a claim or grievance to arbitration or any Person who appeals any arbitration decision, or who takes any steps therein, shall be conclusively presumed to have voluntarily recognized and agreed to the jurisdiction of the NFA to hear and determine the claim or appeal.

(e) Referral to the NFA Arbitration Program. In the event that a complaint is received by the MarketAxess SEF from a Customer, it shall be referred to the Market Regulation Department, which shall inform the Customer of the NFA Arbitration Program.

Rule 802. Initiating an Arbitration Claim

(a) A claimant may initiate a claim by submitting the required documents and fees to the NFA Arbitration Program.

(b) A claimant shall provide notice of such arbitration claim to the MarketAxess SEF.

Rule 803. Certain Claims against the MarketAxess SEF Involving Trading Systems or Services

(a) General. All claims arising out of or relating to the following matters shall be arbitrated in accordance with the rules of this Chapter:

(1) receipt of an incorrect Order status or the failure to have received an appropriate Order status; or

(2) the negligence of MCC Personnel or any other MarketAxess SEF staff.

(b) Initial Liability Claim and Demand for Arbitration. The initial claim of loss, including a detailed description of any loss suffered, must be made to the NFA Arbitration Program within thirty (30) business days of the date of the incident that caused the loss.

(c) Related Claims. All claims arising out of the same system failure, event or alleged negligent act shall, to the extent practicable in the determination of the chairman, be consolidated for a single hearing.

(d) Award.

(1) Any award by the NFA Arbitration Program shall be limited to the lesser of the actual loss or the loss that would have been incurred if the claimant had used its best efforts to mitigate the loss. Punitive damages, loss of profits, loss of use, and indirect, incidental or consequential damages shall not be awarded.

(2) The decision of a majority of the NFA Arbitration Program shall be final and binding, and there shall be no appeal to a hearing committee of the MarketAxess SEF. A party may move, within three (3) business days of the award, that the award be corrected to remedy any miscalculation or misdescription or where the award is otherwise imperfect in a matter of form not affecting the merits of the award.

(e) Satisfaction of Award by MarketAxess SEF.

MarketAxess Holdings owns all of the issued and outstanding capital stock of MarketAxess SEF Corporation. MarketAxess Holdings is listed on the Nasdaq Stock Market, a national securities exchange registered with the SEC.

The Board has the power and authority to call for review, and to affirm, modify, suspend or overrule, any and all decisions and actions of standing committees or special committees of the Board, or of any panel of Officers, related to the day-to-day business operations of the MarketAxess SEF.

(b) The Board may act only by the decision of an absolute majority in number of the Directors by vote at a meeting, by unanimous written consent without a meeting, or as otherwise set forth in the Certificate of Incorporation or By-laws.

(c) At all times, at least 35%, but no less than two, of the Directors shall be Public Directors. Rule 523. Wash Sales Prohibited

No Person shall place or accept buy and sell Orders in the same MarketAxess SEF Swap where the person knows or reasonably should know that the purpose of the Orders is to avoid taking a bona fide market position exposed to market risk (transactions commonly known or referred to as wash sales). Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate the prohibition on wash trades. Additionally, no Person shall knowingly execute or accommodate the execution of such Orders by direct or indirect means.

Rule 524. Recordkeeping Requirements for Entering Orders into the MarketAxess SEF Trading System

(a) General Requirements.

(1) Each Authorized Trader entering Orders into the MarketAxess SEF Trading System shall input for each Order:

(2) With respect to Orders received by an Authorized Trader that are capable of being immediately entered into the MarketAxess SEF Trading System, no record other than that set forth above need be made. However, if an Authorized Trader receives an Order that cannot be immediately entered into the MarketAxess SEF Trading System, the Authorized Trader must prepare a written Order and include the account designation, date, an electronic timestamp reflecting the time of receipt and other information required pursuant to section (a) above. The Order must be entered into the MarketAxess SEF Trading System when it becomes executable.

(b) RESERVED

(c) Bunched Orders and Orders Eligible for Post Execution Allocation. Bunched Orders must be allocated and recorded in accordance with CFTC Regulation 1.35(b)(5) and the NFA's Interpretative Notice related to Compliance Rule 2-10. Bunched Orders may be entered using a series designation or suspense account number, *provided that*:

i. the Order is being placed by an account manager for multiple accounts eligible for post execution allocation; or

ii. a written, pre-determined allocation scheme that defines the series has been provided to the FCM accepting or clearing the Order prior to the time that such Order is entered. In the latter case, if such information has not been provided to the FCM prior to the time of Order entry, each specific account number must be entered into the MarketAxess SEF Trading System. Additionally, for all such bunched Orders executed on the MarketAxess SEF Trading System, the final account-specific allocations must be submitted to the MarketAxess SEF Trading System no later than the end of each trading day.

(d) No Person shall engage in a money pass, which includes a non-competitive trade between authorized traders where a profit is passed from one trader to the other.

Rule 526. Responsibility For Customer Orders

(a) Standard of Responsibility.

(1) A Participant shall exercise due diligence in the handling and execution of Customer Orders. Failure to act with due diligence shall constitute a failure to exercise due diligence. In the case of a dispute as to whether a Participant has exercised due diligence, the appropriate arbitration or disciplinary committee is authorized to determine whether the Participant failed to exercise due diligence and, if so, whether an adjustment is due from the Participant to the Customer.

(2) A Participant is prohibited from directly or indirectly guaranteeing the execution of an Order or any of its terms such as the quantity or price. A Participant may only report an execution that has been effected through the MarketAxess SEF Trading System or has been executed under Chapter 6. This Rule 526(a) shall not be construed to prevent a Participant from assuming or sharing in the losses resulting from an error or the mishandling of an Order.

(b) Liability for a Failure to Exercise Due Diligence. A Participant may not adjust the price at which an Order was executed or be held responsible for executing or failing to execute an Order unless such Participant failed to exercise due diligence or is settling a *bona fide* dispute regarding a failure to exercise due diligence. A Participant may not compel an adjustment from another Participant in the absence of a *bona fide* dispute regarding a failure to exercise due diligence. Participants shall document all adjustments. Participants shall make and retain a record that contains the date the adjustment was received, the name of the Participant making the adjustment, the account to which the adjustment was credited, the amount of the adjustment, the Order number and the reason for the adjustment. Such records must be provided to the Market Regulation Department upon request.

Rule 527. Pre-Execution Credit Checks

(a) At the time of submitting an RFQ or Order for any MarketAxess SEF Swap that is intended to be cleared, a Participant must designate an FCM to clear the Trade. The MarketAxess SEF will, promptly upon receipt of such RFQ or Order, facilitate pre-execution screening by the FCM identified by the Person on behalf of which the RFQ or Order is placed. Upon receiving confirmation that the RFQ or Order satisfies the FCM's pre-execution limits, the MarketAxess SEF will place the RFQ or Order on the MarketAxess SEF Trading System.

(b) RESERVED

(c) The Clearing Firm may, at any time prior to the execution of a Trade resulting from an RFQ or Order, notify the MarketAxess SEF that the Person on behalf of which an RFQ or Order is placed no longer has a sufficient credit or trading limit with the Clearing Firm to which the resulting Trade will be submitted for clearing. If such notification is received prior to the execution of said Trade, the MarketAxess SEF will use best efforts to withdraw the RFQ or Order.

Rule 528. Priority of Execution

Customer Orders received by a Participant or an Authorized Trader shall be entered into the MarketAxess SEF Trading System in the sequence received. Non-discretionary Orders that cannot be immediately entered into the MarketAxess SEF Trading System must be entered when the Orders become executable, in the sequence in which the Orders were received.

Rule 529. Intermediation

On the MarketAxess SEF Trading System, intermediation by a Participant on behalf of a Customer shall be permitted, provided that the Participant is in compliance with Rule 407. Each Participant engaging in intermediation related trades shall:

Any such speculative position limits and accountability levels will be found at <http://www.marketaxess.com/> and a notice of the adoption of any such limits and levels will be emailed to Participants as soon as reasonably practicable after adoption.

(b) For any MarketAxess SEF Swap that is subject to a position limit established by the CFTC pursuant to CEA Section 4a(a), the MarketAxess SEF shall:

- (1) set its position limit at a level no higher than the CFTC limit; and
- (2) monitor positions established on or through the MarketAxess SEF for compliance with the limit set by the CFTC and the limit, if any, set by the MarketAxess SEF.

(c) A Person seeking an exemption from position limits established by the MarketAxess SEF pursuant to the Rules must apply to the Market Regulation Department on forms provided by the MarketAxess SEF. In order to obtain an exemption from position limits, a Person must:

- (1) provide a description of the exemption sought, including whether the exemption is for *bona fide* hedging positions as defined in CFTC Regulation 1.3(z)(1) or any other applicable CFTC

Regulation, risk management positions or arbitrage/spread positions;

(2) provide a complete and accurate explanation of the underlying exposure related to the exemption request;

(3) agree to promptly provide, upon request by the Market Regulation Department, information or documentation regarding the Person's financial condition;

(4) agree to comply with all terms, conditions or limitations imposed by the Market Regulation Department with respect to the exemption;

(5) agree that the Market Regulation Department may modify or revoke the exemption at any time;

(6) agree to initiate and liquidate positions in an orderly manner; and

(7) agree to promptly submit a supplemental statement to the Market Regulation Department whenever there is a material change to the information provided in the most recent application.

(d) A Person intending to exceed position limits established by the MarketAxess SEF pursuant to the Rules, including limits under a previously approved exemption, must file the required application and receive approval from the Market Regulation Department prior to exceeding such limits. Notwithstanding the foregoing, a Person who establishes an exemption-eligible position in excess of position limits and files the required application with the Market Regulation Department shall not be in violation of this Rule 530 provided the filing occurs within one (1) Business Day after assuming the position.

(e) In the event the positions in excess of the limits are not deemed to be exemption-eligible, the applicant will be in violation of speculative limits for the period of time in which the excess positions remained open.

(f) The Market Regulation Department shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Market Regulation Department may approve, deny, condition or limit any exemption request based on factors deemed by the Market Regulation Department to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be established and liquidated in an orderly manner.

(g) Nothing in this Rule 530 shall in any way limit:

(1) the authority of the MarketAxess SEF to take emergency action; or

(2) the authority of the Market Regulation Department to review at any time the positions owned or controlled by any Person and to direct that any such position be reduced to the applicable position limit established by the MarketAxess SEF pursuant to the Rules.

(h) A Person who has received written authorization from the Market Regulation Department for an exemption from position limits must annually file an updated application on the date which is one year following the approval date of the most recent application. Failure to file an updated application will result in expiration of the exemption.

(i) Eligible Exemptions.

- (1) Bona Fide Hedging Positions. The Market Regulation Department may grant exemptions from position limits for *bona fide* hedge positions as defined by CFTC Regulation 1.3(z)(1) or any other applicable CFTC Regulation. Approved *bona fide* hedgers may be exempted from Emergency Rules that reduce position limits or restrict trading.
- (2) Risk Management Positions. The Market Regulation Department may grant exemptions from position limits for risk management positions. For the purposes of this Rule, risk management positions are defined as MarketAxess SEF Swaps and Options positions that are held by or on behalf of an entity or an Affiliate of an entity that typically buys, sells or holds positions in the underlying cash market, a related cash market or a related over-the-counter market and for which the underlying market has a high degree of demonstrated liquidity relative to the size of the positions and where there exist opportunities for arbitrage that provide a close linkage between the MarketAxess SEF Swaps or Options market and the underlying market in question. Exemptions related to indexed positions in the over-the-counter market may include corresponding commodity index-based Futures and Options and/or individual commodity Futures and Options used as components in replicating an index.
- (3) Arbitrage and Spread Positions. The Market Regulation Department may grant exemptions from position limits for arbitrage, spread and eligible Option/Option or Option/MarketAxess SEF Swaps spread positions.

(j) Aggregation of Positions.

- (1) Positions to be Aggregated. Position limits established by the MarketAxess SEF pursuant to the Rules shall apply to all positions in accounts for which a Person by power of attorney or otherwise directly or indirectly owns the positions or controls the trading of the positions. Such position limits shall also apply to positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by, or the trading of the positions was done by, a single Person.
- (2) Ownership of Accounts. Except as set forth in Rule 530(k) below, any Person holding positions in more than one account, or holding accounts or positions in which the Person by power of attorney or otherwise directly or indirectly has a 10% or greater ownership or equity interest, must aggregate all such accounts or positions, unless such Person is a pool participant in a commodity pool. The foregoing exception for pool participants shall not apply if the Person:

- i. is the pool's commodity pool operator;
- ii. is a principal or affiliate of the pool's commodity pool operator and there are no barriers to prevent the Person from obtaining knowledge of or control over the pool's trading or positions; or
- iii. has an ownership or equity interest of twenty-five percent (25%) or more in the pool where the pool's operator is exempt from registration under CFTC Regulation 4.13.

(k) Limited Exceptions to Aggregation for Independently Controlled Positions.

(1) Positions carried for an "eligible entity," as defined in CFTC Regulation 150.1(d), in the separate account or accounts of "independent account controllers," as defined in CFTC Regulation 150.1(e), shall not be aggregated for position limit purposes, *provided* that the positions are not held in the spot month during such time that a spot month position limit is applicable. If an independent account controller is Affiliated with the eligible entity or another independent account controller, each of the Affiliated entities must comply with the requirements set forth in CFTC Regulation 150.3(4)(i)(A)-(D).

(2) Positions held by FCMs or their separately organized Affiliates in Customer discretionary accounts or in guided account programs shall not be aggregated for position limit purposes, provided that the accounts meet the standards set forth in CFTC Regulation 150.4(d).

(3) Any Person claiming an exemption from aggregation for position limit purposes under this Rule 530 must, upon request by the Market Regulation Department, provide any information deemed necessary to support the exemption.

(l) Violations.

(1) No Person shall exceed the position limits established by the MarketAxess SEF pursuant to the Rules, unless an exemption is granted by the Market Regulation Department.

(2) The Market Regulation Department and the MarketAxess SEF Practices Committee shall have the authority to enforce the MarketAxess SEF Rules regarding position limits.

(3) Any Person making a bid or offer that would, if accepted, cause such Person to exceed the applicable position limits shall be in violation of this Rule 530.

(4) If a position exceeds position limits as a result of an Option assignment, the Person who owns or controls such position shall be allowed one (1) Business Day to liquidate the excess position without being considered in violation of the limits. Additionally, if, at the close of trading, a position that includes Options exceeds position limits when evaluated using the delta factors as of that day's close of trading, but does not exceed the limits when evaluated using the previous day's delta factors, then the position shall not constitute a position limit violation.

(5) RESERVED

(6) Violations, Sanctions and Appeals.

i. First Violation. The first position limit violation by a Participant will result in a warning letter issued by the Market Regulation Department.

ii. Second Violation, Sanctions and Appeals.

a. A second position limit violation by a Participant within twenty-four (24) months of the issuance of a warning letter will result in the imposition of an automatic fine by the Market Regulation Department to the Participant as set forth below and the issuance of a cease and desist order.

b. The automatic fine for a position exceeding the applicable limit by up to twenty-five percent (25%) shall be \$5,000.

c. The automatic fine for a position exceeding the applicable limit by more than twenty-five percent (25%) shall be \$15,000.

iii. Referral to the Chief Compliance Officer.

a. Any third or subsequent position limit violation within twenty-four (24) months of the issuance of a warning letter shall be referred by the Market Regulation Department to the Chief Compliance Officer for consideration of the issuance of charges.

b. Notwithstanding anything to the contrary in Rule 530(l)(5)(iv)(a), the Market Regulation Department, in its sole discretion, may refer any position limit violation it deems egregious to the Chief Compliance Officer for consideration of the issuance of charges.

Rule 531. Position Accountability

(a) A Participant that holds or controls, or a Participant that carries for another Person, aggregate positions in excess of any applicable position accountability level established by the MarketAxess SEF pursuant to the Rules, shall:

(1) provide, in a timely manner upon request by the Market Regulation Department, information regarding the nature of the position, information regarding trading strategy and hedging information, if applicable; and

(2) such aggregated position shall be subject to the terms and conditions of Rule 530.

(3) RESERVED

(b) For purposes of this Rule, all positions in accounts for which a Participant, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Participant. The provisions of this Rule shall apply to positions held by two or more Participants acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held, or the trading of the positions was controlled, by a single Participant.

In no event may a Person enter an Order or permit the entry of an Order by an individual using a user ID other than the individual's own unique user ID.

Rule 536. LIMITATION OF LIABILITY, NO WARRANTIES

(a) EXCEPT AS PROVIDED BELOW, AND EXCEPT IN INSTANCES WHERE A PARTY HAS BEEN FINALLY ADJUDICATED TO HAVE BEEN GROSSLY NEGLIGENT OR ENGAGED IN WILLFUL OR WANTON MISCONDUCT, IN WHICH CASE THE PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 536, NEITHER THE MARKETAXESS SEF (INCLUDING ITS SUBSIDIARIES AND AFFILIATES, AND ANY CONTRACTORS PROVIDING SERVICES TO THE MARKETAXESS SEF), NOR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONSULTANTS, AND LICENSORS (THE "DISCLAIMING PARTY" OR "DISCLAIMING PARTIES") SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, LOSS OF USE, AND DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES), ARISING FROM: (1) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER EVENT, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE SYSTEMS AND SERVICES OF THE MARKETAXESS SEF, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, INCLUDING WITHOUT LIMITATION ELECTRONIC ORDER ENTRY/DELIVERY, TRADING THROUGH ANY ELECTRONIC MEANS, ELECTRONIC COMMUNICATION OF MARKET DATA OR INFORMATION, WORKSTATIONS USED BY PARTICIPANTS AND AUTHORIZED TRADERS, PRICE REPORTING SYSTEMS AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, CENTRAL COMPUTERS, SOFTWARE, HARDWARE, AND FIRMWARE RELATING THERETO; OR (2) ANY FAILURE OR MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION OR TERMINATION, OR ANY OTHER EVENT, OF ANY SYSTEM OR SERVICE OF THE MARKETAXESS SEF, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, CAUSED BY ANY THIRD PARTIES, INCLUDING, BUT NOT LIMITED TO, INDEPENDENT SOFTWARE VENDORS AND NETWORK PROVIDERS; OR (3) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE MARKETAXESS SEF OR ANY OF THE MARKETAXESS SEF'S SYSTEMS, SERVICES OR FACILITIES; EXCEPT FOR INCORRECT ORDER STATUSING INFORMATION AS PROVIDED IN RULE 537 (THE MARKETAXESS SEF CONTROL CENTER); OR (4) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY OF THE MARKETAXESS SEF'S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES BY ANY PERSON. THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY WHETHER A CLAIM ARISES IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, CONTRIBUTION OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD PARTY CLAIM. THE FOREGOING LIMITATION OF LIABILITY SHALL BE SUBJECT TO THE CEA AND REGULATIONS THEREUNDER.

(b) NOTWITHSTANDING SUBSECTION (a), (e), or (f) OF THIS RULE 536, IN NO EVENT SHALL ANY PERSON BRING ANY LEGAL ACTION (WHETHER IN TORT, NEGLIGENCE, OR BREACH OF CONTRACT) FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, LOSS OF USE, DIRECT, SPECIAL, PUNITIVE, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING FROM THE USE OF THE PLATFORM.

(c) THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS (INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR USE) PROVIDED BY THE DISCLAIMING PARTY OR DISCLAIMING PARTIES RELATING TO ANY SYSTEMS OR SERVICES OF THE MARKETAXESS SEF OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING THE MARKETAXESS SEF TRADING SYSTEM.

(d) ANY DISPUTE ARISING OUT OF THE USE OF SYSTEMS OR SERVICES OF THE MARKETAXESS SEF OR SERVICES, EQUIPMENT, OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES IN WHICH THE DISCLAIMING PARTY OR DISCLAIMING PARTIES IS A PARTY SHALL BE ARBITRATED PURSUANT TO CHAPTER 8. ANY ARBITRATION SHALL BE BROUGHT WITHIN THE PERIOD PRESCRIBED BY CHAPTER 8. ANY OTHER ACTIONS, SUITS OR PROCEEDINGS AGAINST THE DISCLAIMING PARTY OR DISCLAIMING PARTIES MUST BE BROUGHT WITHIN TWO (2) YEARS FROM THE TIME THAT A CAUSE OF ACTION HAS ACCRUED. THIS PARAGRAPH (d) SHALL IN NO WAY BE CONSTRUED TO LIMIT A PARTY'S OBLIGATION TO ARBITRATE ITS CLAIM OR TO CREATE A CAUSE OF ACTION AND SHALL NOT AUTHORIZE AN ACTION THAT WOULD OTHERWISE BE PROHIBITED BY THE MARKETAXESS SEF RULES. IF, FOR ANY REASON, A COURT OF COMPETENT JURISDICTION FINDS THAT A DISPUTE IS NOT ARBITRABLE, SUCH DISPUTE MAY ONLY BE LITIGATED IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK AND WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY PROVISIONS OF NEW YORK LAW THAT WOULD APPLY THE SUBSTANTIVE LAW OF A DIFFERENT JURISDICTION.

(e) THE DISCLAIMING PARTY OR DISCLAIMING PARTIES, MAY, IN ITS SOLE DISCRETION, ASSUME RESPONSIBILITY FOR DIRECT, OUT-OF-POCKET LOSSES DIRECTLY CAUSED BY THE GROSS NEGLIGENCE OF THE MARKETAXESS SEF CONTROL CENTER OR OTHER MARKETAXESS SEF STAFF AND/OR ORDER STATUS ERRORS PROVIDED BY THE MARKETAXESS SEF CONTROL CENTER OR ANY MARKETAXESS SEF SYSTEM, EQUIPMENT, SERVICE OR FACILITY. NOTWITHSTANDING THE ABOVE, i) THE MARKETAXESS SEF'S TOTAL COMBINED AGGREGATE OBLIGATIONS SHALL NOT EXCEED \$25,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED ON A SINGLE DAY; \$100,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$500,000 FOR ALL LOSSES FROM ALL CAUSES SUFFERED IN A SINGLE CALENDAR YEAR. ANY DISPUTED CLAIM PURSUANT TO THIS PARAGRAPH (e) MUST BE ARBITRATED PURSUANT TO CHAPTER 8.

(f) IN NO EVENT SHALL THE DISCLAIMING PARTY'S OR DISCLAIMING PARTIES' TOTAL COMBINED AGGREGATE LIABILITY FOR ALL CLAIMS ARISING OUT OF ANY FAILURES, MALFUNCTIONS, FAULTS IN DELIVERY, DELAYS, OMISSIONS, SUSPENSIONS, INACCURACIES, INTERRUPTIONS, TERMINATIONS, OR ANY OTHER CAUSES, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE MARKETAXESS SEF'S SYSTEMS OR SERVICES, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, OR THE NEGLIGENCE OF MARKETAXESS SEF STAFF EXCEED \$500,000 IN ANY GIVEN

CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY OR SINGLE MONTH CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A *PRO RATA* SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

Rule 537. The MarketAxess SEF Control Center

(a) Customer Support.

- (1) The MarketAxess SEF Control Center (“**MCC**”) provides customer support and problem management only to Participants.
- (2) In order to be eligible for MCC support, such Persons must be identified by a Participant as an authorized contact with the MCC (“**Authorized Contacts**”). The MCC provides customer support via a specified telephone number and during specified hours.
- (3) MCC employees may not always be available to assist Authorized Contacts.
- (4) Persons other than Authorized Contacts must contact their Participant Firms to make support requests.

(b) MCC Communications.

- (1) As provided in Rule 536, the MarketAxess SEF shall not be liable for any loss resulting from any inability to communicate with the MCC.
- (2) The liability of the MarketAxess SEF for the negligent acts of MCC staff shall be subject to the limitations and conditions of Rule 536.
- (3) In no event, however, shall the MarketAxess SEF be liable for the negligence of the MCC if the Person claiming to have suffered a loss could have secured the support it sought from the MCC through its own administrative terminal, its Clearing Firm’s terminal or an Independent Software Vendor’s (“**ISV**”) terminal.
- (4) For purposes of this rule, a Person is deemed able to take action through its own administrative terminal, a Clearing Firm’s terminal or an ISV’s terminal unless such terminal was inoperative or such terminal service was interrupted at the time the MCC took action.

(c) Order Status.

- (1) A Person who believes he has received an incorrect Order status or does not receive an appropriate status shall immediately notify the MCC. Additionally, such Person shall take any necessary and appropriate market action to mitigate any potential losses arising from the incorrect Order status or lack of appropriate Order status immediately after the Person knew or should have known that the Order status information was incorrect or should have been

received. Any liability of the MarketAxess SEF for incorrect Order status shall be subject to the limitations and conditions of Rule 536.

(2) Notwithstanding the above, the MarketAxess SEF shall not be liable for losses related to incorrect Order status information if the MarketAxess SEF provides prior notification that a MarketAxess SEF system, service or facility may produce such incorrect information and also provides notification of a means to obtain correct Order status information from such system, service or facility. In the event that the MCC and a MarketAxess SEF system, service or facility provide conflicting information relating to an Order status, a Participant may only reasonably rely on the information received from the MCC. Any liability of the MarketAxess SEF shall be subject to the liability caps and conditions of Rule 536.

Rule 538. The MarketAxess SEF Trading System

(a) The Order Book is available for Required Transactions and Permitted Transactions.

(b) The MarketAxess SEF Trading System Click to Trade (“**CTT**”) system is only available for Permitted Transactions and Block Trades and allows for Participants to review indicative levels provided by other Participants and either:

(1) Place a market order requesting to hit or lift the indicative level (utilizing a Price/Time algorithm), subject to acceptance by the Participant providing the indicative level;

(2) Submit a firm resting order, allowing for another Participant providing indicative levels to either hit or lift the level; or

(3) Submit a limit order with either of the following characteristics:

(i) If the Participant selects order style “Notification,” they will be notified if a selected Participant enters a level better than or equal to the Participant’s limit. From this notification, the Participant will have the option to submit a firm resting order on the instrument just as they would in the standard CTT flow and counter flow.

(ii) If the Participant selects order style “Auto-Execute,” an Order will automatically be placed on behalf of the Participant if a selected Participant enters a level better than or equal to the Participant’s limit. From this point, the Trade flow will be identical to the standard CTT flow and counter flow.

(c) The MarketAxess SEF RFQ System is available for Required Transactions.

(1) The MarketAxess SEF also offers a request for quote system designed only for Permitted Transactions and Block Trades. This system will not be subject to the requirements of CFTC Regulation 37.9(a)(3).

Rule 539. Trade Cancellations and Price Adjustments

(a) MarketAxess SEF Control Center Authority Regarding Trade Cancellations and Price Adjustments.

(1) The MCC has authority to adjust trade prices or cancel (bust) Trades when such action is necessary to mitigate market disrupting events caused by the improper or erroneous use of the MarketAxess SEF Trading System or by system defects.

(2) Notwithstanding any other provisions of this rule, the MCC may adjust trade prices or bust any Trade if the MCC determines that allowing the Trade to stand as executed may have a material adverse effect on the integrity of the market.

(3) All decisions of the MCC shall be final.

(b) Review of Trades.

(1) The MCC may determine to review a Trade based on its independent analysis of market activity or upon request for review by a user of the MarketAxess SEF Trading System. A request for review must be made within 15 minutes of the execution of the Trade.

(2) The MCC shall determine whether or not a Trade will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news or in any other circumstance in which the MCC deems it to be appropriate, the MCC may determine, in its sole discretion, that a Trade shall not be subject to review.

(3) Upon deciding to review a Trade, the MCC will promptly issue an alert to all Participants via the MarketAxess SEF Trading System or electronic mail indicating that the Trade is under review.

(c) Price Adjustments and Cancellations.

(1) In reviewing a Trade, the MCC will first determine whether the trade price is within the No Bust Range, which shall mean the price of a MarketAxess SEF Swap was no more than 10% higher or lower than either the final settlement price or spread from the prior trading day for such MarketAxess SEF Swap.

(2) In applying the No Bust Range, the MCC shall use best efforts to determine the fair value market price for that MarketAxess SEF Swap at the time the trade under review occurred. The MCC may consider any relevant information, including, but not limited to, the last trade price in the MarketAxess SEF Swap or a better bid or offer price on the MarketAxess SEF Trading System, a more recent price for a different maturity date, the price of the same or related MarketAxess SEF Swap established in another venue or another market, the market conditions at the time of the trade, the theoretical value of an Option based on the most recent implied volatility and responses to an RFQ.

(3) Trade Price Inside the No Bust Range. If the MCC determines that the price of the Trade is inside the No Bust Range, the MCC will issue an alert indicating that the Trade shall stand.

(4) Trade Price Outside the No Bust Range.

i. If the MCC determines that a trade price is outside the No Bust Range, the MarketAxess SEF shall have the right (in its sole discretion) to cancel or adjust the price of such Trade.

ii. Busted trade prices and any prices that have been adjusted shall be cancelled in the MarketAxess SEF's official record of time and sales. Trades that are price-adjusted shall be inserted in the time and sales record at the adjusted trade price.

(d) Alternative Resolution by Agreement of Parties.

(1) With the approval of the MCC, parties to a Trade that is under review or price-adjusted may instead mutually agree to cancel or otherwise adjust the price of the Trade.

(2) With the approval of the MCC, parties to a Trade that is busted may instead mutually agree to price-adjust the Trade to a price consistent with the adjustment provisions of Rule 543(c).

(3) Subject to sections (d)(1) and (d)(2), parties to a Trade that is cancelled or price-adjusted may mutually agree to a cash adjustment, *provided* that such adjustments are reported to the MCC and the parties maintain a record of the adjustment.

(4) An executed Trade may not be reversed via transfer except where such Trade is determined by the MCC to be outside of the No Bust Range but not reported timely, subject to agreement of the parties and approval of the MCC. Any such transfer must occur at the original trade price and quantity; however, the parties may mutually agree to a cash adjustment.

(e) Liability for Losses Resulting from Price Adjustments or Cancellations.

(1) A party entering an Order that results in a price adjustment or trade bust shall be responsible for demonstrated claims of realized losses incurred by Persons whose trade prices were adjusted or busted, *provided, however*, that a claimant shall not be entitled to compensation for losses incurred as a result of the claimant's failure to take reasonable actions to mitigate the loss.

(2) A claim for a loss pursuant to this section must be submitted to the MarketAxess SEF within one (1) Business Day of the event giving rise to the claim. The MarketAxess SEF will reject any claim that is not filed in a timely manner and such decisions shall be final. Eligible claims shall be forwarded by the MarketAxess SEF to the party responsible for the Order(s) that resulted in a trade bust or a price adjustment. (2) The MarketAxess SEF may hold an Authorized Trader liable for, and impose sanctions against such Authorized Trader, for such Authorized Trader’s own acts and omissions that constitute a violation as well as or for the acts and omissions of any other agent or representative of such Authorized Trader that constitute a violation, as if such violation were that of the Authorized Trader.

(4) A Person shall not be deemed to have violated this Rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

Rule 702. Inquiries and Investigation

(a) The Market Regulation Department will investigate any matter within the MarketAxess SEF's jurisdiction of which it becomes aware. The Market Regulation Department will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the MarketAxess SEF that, in the judgment of the Market Regulation Department, indicates a possible basis for finding that a violation has occurred or may occur. The Market Regulation Department will determine the nature and scope of its inquiries and investigations in its sole discretion and will function independently of any commercial interests of the MarketAxess SEF.

(b) The Market Regulation Department has the authority to:

(1) initiate and conduct inquiries and investigations;

(2) prepare investigative reports and make recommendations concerning initiating disciplinary proceedings;

(3) prosecute alleged violations within the MarketAxess SEF's disciplinary jurisdiction; and,

(4) represent the MarketAxess SEF on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

(c) Each Participant:

(1) is obligated to appear and testify and respond in writing to interrogatories within the time period required by the Market Regulation Department in connection with:

- i. any MarketAxess Rule;
- ii. any inquiry or investigation relating to MarketAxess SEF Activity; and
- iii. any preparation by and presentation during a Disciplinary Action;

- iii. any preparation by and presentation during a Disciplinary Action; and

(3) may not impede or delay any Disciplinary Action.

(d) The Chief Compliance Officer has the authority to delegate the authority to conduct any investigation authorized under this Rule 702 to the RSP as per the terms of the Regulatory Services Agreement.

(e) Any investigation will be completed in a timely manner in accordance with CFTC regulation 37.203(f)(2).

Rule 703. Reports of Investigations

(a) The Market Regulation Department will maintain a log of all investigations and their disposition. The Market Regulation Department will prepare a written report of each investigation, regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.

(b) Any written report of investigation ("**Investigative Report**") will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, the Market Regulation Department staff's analysis and conclusions, and the recommendation of the Market Regulation Department. For each potential respondent, the Market Regulation Department will recommend either:

- (1) closing the investigation without further action;

(2) settlement;

(3) summary action;

(4) the preparation and service of a notice of charges for instituting a disciplinary proceeding; or

(5) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction.

(c) The Investigative Report will be provided to the Chief Compliance Officer for a determination as to whether the Investigative Report is complete. The Chief Compliance Officer will then provide the completed Investigative Report to the Disciplinary Panel.

Rule 704. Opportunity to Respond

(a) After completing its Investigative Report, the Market Regulation Department may, upon approval of the Chief Compliance Officer, notify each potential respondent that the Market Regulation Department has recommended formal disciplinary charges against the potential respondent.

(b) The Market Regulation Department may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Market Regulation Department.

Rule 705. Review of Investigative Reports

(a) Review of Investigative Reports by the Chief Compliance Officer.

(1) Within thirty (30) days of the receipt of a completed Investigative Report, the Chief Compliance Officer will review the completed Investigative Report to determine whether a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur.

(2) If the Chief Compliance Officer determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur, the Chief Compliance Officer will direct the Market Regulation Department to conduct further investigation.

(3) Upon receiving the completed Investigative Report or after receiving additional information upon the completion of an investigation, the Chief Compliance Officer will determine for each potential respondent whether to authorize:

- i. the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted, in which case the Chief Compliance Officer shall provide a written explanation to the Regulatory Oversight Committee; or
- ii. the closing of the investigation without any action because no reasonable basis exist to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur, in which case the Chief Compliance Officer shall provide a written explanation to the Regulatory Oversight Committee; or
- iii. the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the MarketAxess SEF's jurisdiction has occurred or is about to occur.

(b) Review of Investigative Reports by the Disciplinary Panel.

(1) After receiving a completed Investigative Report pursuant to Rule 703, a Disciplinary Panel must promptly review the report and, within thirty (30) days of such receipt, must take one of the following actions:

- i. If the Disciplinary Panel determines that additional investigation or evidence is needed, it must promptly direct the Market Regulation Department to conduct further investigation.
- ii. If the Disciplinary Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision and the Chief Compliance Officer shall provide the written statement to the Regulatory Oversight Committee.
- iii. If the Disciplinary Panel determines that a reasonable basis exists for finding a violation and adjudication are warranted, it must direct that the Person alleged to have committed the violation be served with a notice of charges and proceed in accordance with the rules of Chapter 7.

(2) A failure of the Disciplinary Panel to act within the time prescribed in Rule 705(b) shall not prevent the Chief Compliance Officer from acting pursuant to Rule 705(a). The Chief Compliance Officer shall inform the Regulatory Oversight Committee of any such failure of the Disciplinary Panel to act.

(3) Any conflict between the actions of the Chief Compliance Officer pursuant to Rule 705(a) and the Disciplinary Panel pursuant to Rule 705(b) shall be resolved by the Regulatory Oversight Committee.

Rule 706. Notice of Charges

(a) If the Chief Compliance Officer or Disciplinary Panel authorizes disciplinary proceedings pursuant to Rule 705(a)(3)(iii) or 703(b)(1)(iii), the Market Regulation Department will prepare, and serve in accordance with Rule 708, a notice of charges.

(b) A notice of charges will:

- (1) state the acts, practices or conduct that the respondent is alleged to have engaged in;
- (2) state the MarketAxess Rule or provision of Applicable Law alleged to have been violated or about to be violated;
- (3) state the proposed sanctions;
- (4) advise the respondent of its right to a hearing;
- (5) advise the respondent that it has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process;
- (6) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than twenty (20) days after service of the notice of charges;
- (7) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
- (8) advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

Rule 707. Answer to Notice of Charges

(a) If the respondent determines to answer a notice of charges, the respondent must file answers within twenty (20) days after being served with such notice, or within such other time period determined by the Chief Compliance Officer.

(b) To answer a notice of charges, the respondent must in writing:

- (1) specify the allegations that the respondent denies or admits;
- (2) specify the allegations that the respondent does not have sufficient information to either deny or admit;
- (3) specify any specific facts that contradict the notice of charges;

(4) specify any affirmative defenses to the notice of charges; and

(5) sign and serve the answer on the Chief Compliance Officer.

(c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

Rule 708. Service of Notice of Charges

(a) Any notice of charges or other documents to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete either personally or by leaving the same at his or her place of business; or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of the MarketAxess SEF.

(b) Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete via electronic mail to the electronic mail address as it appears on the books and records of the MarketAxess SEF.

Rule 709. Settlements

(a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.

(b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.

(c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the MarketAxess SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Compliance Officer with a recommendation whether to accept or reject the offer. Any preliminary determination by the Chief Compliance Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Compliance Officer shall conditionally accept an offer of settlement, and the settlement will become final upon the expiration of twenty (20) days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.

(e) If an offer of settlement is accepted by the Disciplinary Panel, the panel accepting the offer must issue a written decision specifying the Rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full customer restitution where customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Compliance Officer, the decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

(f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the MarketAxess SEF Rules.

(g) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer and the Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent, potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

Rule 710. Disciplinary Panel

(a) The Disciplinary Panel shall:

(1) review completed Investigative Reports in order to determine whether a reasonable basis exists for finding a violation of the MarketAxess SEF's rules and for authorizing the issuance of notices of charges against persons.

(2) conduct hearings in connection with any disciplinary proceedings (except for summary impositions of fines pursuant to Rule 717), make findings, render decisions and impose sanctions pursuant to this Chapter 7.

(b) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year, subject to reappointment by the Board, as potential participants on the Disciplinary Panel. The Chief Compliance Officer shall recommend at least one (1) individual who will satisfy the conditions of a Public Individual and at least two (2) Participants or employees of Participants and two (2) non-Participants. The term of an individual who has been selected as a member of a Disciplinary Panel will not expire until the related proceedings are completed. The Board shall not appoint the Chief Compliance Officer, any employee of the Market Regulation Department, or any person involved in adjudicating any other stage of the same proceeding to be a member of a Disciplinary Panel.

(c) The chair of any Disciplinary Panel shall be a Public Individual.

(d) The Chief Compliance Officer shall select a separate Disciplinary Panel prior to the commencement of each investigative or disciplinary matter by randomly selecting at least one Public Individual and the remaining individuals from the industry participant pools so that any group or class of industry participants is precluded from dominating or exercising disproportionate influence on the Disciplinary Panel being formed.

(e) If an individual selected is an Interested Person or if a member of the Disciplinary Panel later becomes an Interested Person, a replacement for such individual shall be randomly selected by the Chief Compliance Officer.

(f) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 213 or for any other reasonable grounds, including that such individual has a financial interest in the matter, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The General Counsel of the MarketAxess SEF will decide the merits of any request for disqualification in his or her sole discretion. Any such decision will be final and not subject to appeal.

(g) No person shall serve on a Disciplinary Panel unless that person has agreed in writing that he or she will not publish, divulge or make known in any manner, any facts or information regarding the business of any Person or any other information which may come to his or her attention in his or her official capacity as a member of the Disciplinary Panel, except when reporting to the Board or to a committee concerned with such information or to the Market Regulation Department, when requested by the CFTC or other Government Agency or when compelled to testify in any judicial or administrative proceeding.

(h) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a MarketAxess SEF investigation, as permitted by Rule 213 or as required by law.

(i) The Chief Compliance Officer has the authority to delegate the formation and staffing of Disciplinary Panels under this Rule 710 to the RSP as per the terms of the Regulatory Services Agreement.

Rule 711. Convening Hearings of Disciplinary Proceedings

(a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.

(c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and

evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chair of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The General Counsel of the MarketAxess SEF, or its designee, will provide guidance to the chair of the Disciplinary Panel on the conduct of the hearing.

(d) Except for procedural and evidentiary matters decided by the chair of the Disciplinary Panel pursuant to paragraph (c) above and Rule 712, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

Rule 712. Respondent Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the MarketAxess SEF that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and the MarketAxess SEF will have no obligation to disclose, any information protected by attorney-client privilege.

(b) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information, or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:

(1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges; and

(2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.

(d) For purposes of this Rule 712, information that could adversely affect competitive positions include positions in MarketAxess SEF Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized Trader and the personal finances of the Person providing the information.

Rule 713. Conducting Hearings of Disciplinary Proceedings

(a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 707, the respondent shall be entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Market Regulation Department and each respondent may:

- (1) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
- (2) call and examine witnesses; and
- (3) cross-examine witnesses called by other parties.

(c) If the respondent fails to file an answer, files a general denial or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 707.

(d) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(2) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals), Authorized Traders and other Supervised Persons that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The MarketAxess SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(e) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the MarketAxess SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 707. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Market Regulation Department provide the Disciplinary Panel with any additional information related to the violations at issue.

(f) The Disciplinary Panel may summarily impose sanctions on any Participant, Authorized Trader or other Supervised Person that impedes or delays the progress of a hearing.

(g) The MarketAxess SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel or chair of the Disciplinary Panel are permitted.

Rule 714. Decision of Disciplinary Panel

(a) As promptly as reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) The MarketAxess SEF will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:

(1) the notice of charges or summary of the allegations;

(2) the answer, if any, or a summary of the answer;

(3) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;

(4) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;

(5) each specific Rule of the MarketAxess SEF and provision of Applicable Law that the respondent is found to have violated; and

(6) the imposition of sanctions, if any, including the basis for such sanctions and the effective date of each sanction.

Rule 715. Sanctions

(a) After notice and opportunity for hearing in accordance with the MarketAxess SEF Rules, the MarketAxess SEF will impose sanctions if any Participant, Authorized Trader, other Supervised Person or other Person using any of the Participant's user IDs is found to have violated or to have attempted to

violate a Rule of the MarketAxess SEF or provision of Applicable Law for which the MarketAxess SEF possesses disciplinary jurisdiction. All sanctions, including sanctions imposed pursuant to an accepted settlement offer, must take into account the respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution, except where the amount of restitution or to whom the restitution should be provided cannot be reasonably determined. The MarketAxess SEF may impose one or more of the following sanctions or remedies:

- (1) censure;
- (2) limitation on Trading Privileges, ability to otherwise access the MarketAxess SEF Trading System, and/or other activities, functions or operations;
- (3) suspension of Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System;
- (4) fine (subject to paragraph (b) below);
- (5) restitution or disgorgement;
- (6) termination of Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System;
- (7) a warning letter, provided that no more than one warning letter is issued to the same Participant for the same violation in a rolling twelve (12)-month period; or
- (8) any other sanction or remedy deemed to be appropriate.

(b) The MarketAxess SEF may impose a fine of up to \$500,000 for each violation of a Rule of the MarketAxess SEF or a provision of Applicable Law. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The MarketAxess SEF has sole discretion to select the bank on whose quotations to base the prime rate. Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders or Supervised Persons.

Rule 716. Reserved.

Rule 717. Summary Imposition of Fines

(a) The Chief Compliance Officer may summarily impose a fine against a Participant (on behalf of itself or any of its Authorized Traders, other Supervised Persons or other Persons using any of its user IDs) or Authorized Trader for failing:

- (1) to make timely payments of fees, cost, charges or fines to the MarketAxess SEF;

(2) to make timely and accurate submissions to the MarketAxess SEF of notices, reports or other information required by the MarketAxess SEF Rules; and

(3) to keep any books and records required by the MarketAxess SEF Rules.

(b) The Market Regulation Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 717 to each Participant or Authorized Trader subject thereto. The notice will specify:

(1) the violations of the MarketAxess SEF Rules for which the fine is being imposed;

(2) the date of the violation for which the fine is being imposed; and

(3) the amount of the fine.

Within 20 days of serving the notice of fine, the Participant or Authorized Trader, as the case may be, must either pay or cause the payment of the fine. The fine will become final upon the expiration of 20 days after the notice of fine is served on the Participant or Authorized Trader, as the case may be.

(c) The MarketAxess SEF will set the amount of any fines imposed pursuant to this Rule 717, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 717 will not preclude the MarketAxess SEF from bringing any other action against the Participant (or any of its Authorized Traders or other Supervised Persons) or Authorized Trader, as the case may be.

Rule 718. Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the MarketAxess SEF Rules to the contrary, the Chief Compliance Officer may, after consultation with the Regulatory Oversight Committee, if practicable, summarily suspend, revoke, limit, condition, restrict or qualify a Participant's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System, and may take other summary action against any Participant or any of its Authorized Traders or Supervised Persons in accordance with the MarketAxess SEF Rules; provided, however, that the Chief Compliance Officer must reasonably believe that the business, conduct or activities of the Participant or any of its Authorized Traders or Supervised Person in question is not in the best interests of the MarketAxess SEF or the marketplace, including based on any of the following:

(1) statutory disqualification from registration as provided in CEA Sections 8a(2) or (3);

(2) nonpayment of fees, costs, charges, fines or arbitration awards; or

(3) the reasonable belief that immediate action is necessary to protect the public or the best interests of the MarketAxess SEF.

(b) Whenever practicable, the MarketAxess SEF shall provide prior written notice to the party against whom any action in accordance with paragraph (a) shall be taken. If prior notice is not practicable, the

MarketAxess SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought.

(c) The summary action will become final upon the expiration of 20 days after the notice of action is served on the respondent.

(d) At the request of the MarketAxess SEF, a respondent against whom a summary action is brought pursuant to this Rule 718 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the MarketAxess SEF in connection with the enforcement of any Rule of the MarketAxess SEF.

(e) A respondent whose Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are suspended, revoked, limited, conditioned, restricted or qualified pursuant to this Rule 718 may apply for reinstatement by filing with the Market Regulation Department a written request stating the applicant's reasons for seeking reinstatement. The MarketAxess SEF will not consider a respondent's request for reinstatement if the respondent (i) owes any fines, fees, charges or costs to the MarketAxess SEF, (ii) continues to fail to appear at disciplinary proceedings without good cause or (iii) continues to impede the progress of disciplinary proceedings.

(f) Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Market Regulation Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, the MarketAxess SEF may require any Participant, Authorized Trader or other Supervised Person to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

(g) As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the notice of summary action issued pursuant to Rule 718(b) above. The Appeals Panel's order may not be appealed.

Rule 719. Rights and Responsibilities after Suspension or Termination

(a) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Order into the MarketAxess SEF Trading System and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply during the period of the suspension, except for the right of the Participant or Authorized Trader in question to assert claims against others as provided in the MarketAxess SEF Rules. Any such suspension will not affect the rights of creditors under the MarketAxess SEF Rules or relieve the Participant or Authorized Trader in question of its, his or her

obligations under the MarketAxess SEF Rules to perform any MarketAxess SEF Swaps entered into before the suspension, or for any MarketAxess SEF fees, costs, or charges incurred during the suspension. The MarketAxess SEF may discipline a suspended Participant or Authorized Trader under this Chapter 7 for any violation of a Rule of the MarketAxess SEF or provision of Applicable Law committed by the Participant or Authorized Trader before, during or after the suspension.

(b) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the MarketAxess SEF Trading System are terminated, all of its related rights will terminate, except for the right of the Participant or Authorized Trader in question to assert claims against others, as provided in the MarketAxess SEF Rules. Any such termination will not affect the rights of creditors under the MarketAxess SEF Rules. A terminated Participant or Authorized Trader may only seek to be reinstated by applying for Trading Privileges pursuant to Rule 302.

(c) The MarketAxess SEF will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.

(d) A suspended or terminated Participant or Authorized Trader remains subject to the MarketAxess SEF Rules and the jurisdiction of the MarketAxess SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or Authorized Trader still had Trading Privileges or ability to otherwise access the MarketAxess SEF Trading System.

(e) RESERVED

Rule 720. Notice to the Respondent, the Regulatory Services Provider and the Public

The MarketAxess SEF will provide written notice of disciplinary proceedings to the parties and the Regulatory Services Provider consistent with applicable CFTC Regulations. Whenever the MarketAxess SEF suspends, expels, fines or otherwise disciplines, or denies any Person access to the MarketAxess SEF, the MarketAxess SEF will make the required notices and disclosures required by Part 9 and all other applicable CFTC Regulations.

CHAPTER 8: ARBITRATION RULES

Rule 801. Disputes Subject to Arbitration

(a) Mandatory Arbitration of Disputes Among Participants.

(1) It is contrary to the objectives and policy of the MarketAxess SEF for Participants to litigate MarketAxess SEF-related disputes. Participants must arbitrate all disputes between or among

themselves that relate to or arise out of any transaction executed on, or otherwise subject to the Rules of, MarketAxess SEF that are based upon facts and circumstances that occurred at a time when the parties were Participants through the NFA Arbitration Program. Such arbitration shall be conducted pursuant to the Rules and the rules of the NFA Arbitration Program or another arbitration program permitted by the CFTC Regulations within two (2) years from the occurrence of the event giving rise to the dispute. This Rule shall in no way create a cause of action nor authorize an action that would otherwise be prohibited by the MarketAxess SEF Rules.

(2) Notwithstanding the foregoing, this Rule 801 does not require an employee of a Participant to submit to arbitration any claim that includes allegations of a violation of federal, state or local employment discrimination, sexual harassment, wage payment or benefits laws.

(b) Claims against the MarketAxess SEF or Clearing House.

(1) Claims Against the MarketAxess SEF. Claims against the MarketAxess SEF pursuant to the provisions of Rules 536 and/or Rule 539 can be submitted to arbitration through the NFA Arbitration Program or another arbitration program permitted by the CFTC Regulations. Such arbitration shall be conducted pursuant to the Rules and the rules of the arbitration Program.

(2) Claims Against the Clearing House. Claims against the Clearing House must be pursued pursuant to the rules of the Clearing House.

(c) Permissive Arbitrations. The following may be submitted for arbitration through the NFA Arbitration program and, in the event such a claim is submitted against a Participant, that Participant is required to arbitrate the dispute under these Rules, unless otherwise provided:

(1) claims of a Customer that is not a Participant against a Participant that relate to or arise out of any transaction executed on, or otherwise subject to the Rules of, MarketAxess SEF;

(2) claims against a Participant pursuant to Rule 539;

(3) claims of a Customer that is not a Participant against a Clearing Firm responsible for the performance of a MarketAxess SEF Swap executed on, or subject to the Rules of, MarketAxess SEF and/or against a Participant in connection with such a transaction; and

(4) at the discretion of the Chief Compliance Officer, any claim involving the interests of the MarketAxess SEF, its Participants, their business relations or swaps trading in general not otherwise arbitrable under these rules, provided the parties have consented to such arbitration.

(d) Waiver of Any Objection to Jurisdiction. Any Person who is not a Participant who submits a claim or grievance to arbitration or any Person who appeals any arbitration decision, or who takes any steps therein, shall be conclusively presumed to have voluntarily recognized and agreed to the jurisdiction of the NFA to hear and determine the claim or appeal.

(e) Referral to the NFA Arbitration Program. In the event that a complaint is received by the MarketAxess SEF from a Customer, it shall be referred to the Market Regulation Department, which shall inform the Customer of the NFA Arbitration Program.

Rule 802. Initiating an Arbitration Claim

(a) A claimant may initiate a claim by submitting the required documents and fees to the NFA Arbitration Program.

(b) A claimant shall provide notice of such arbitration claim to the MarketAxess SEF.

Rule 803. Certain Claims against the MarketAxess SEF Involving Trading Systems or Services

(a) General. All claims arising out of or relating to the following matters shall be arbitrated in accordance with the rules of this Chapter:

(1) receipt of an incorrect Order status or the failure to have received an appropriate Order status; or

(2) the negligence of MCC Personnel or any other MarketAxess SEF staff.

(b) Initial Liability Claim and Demand for Arbitration. The initial claim of loss, including a detailed description of any loss suffered, must be made to the NFA Arbitration Program within thirty (30) business days of the date of the incident that caused the loss.

(c) Related Claims. All claims arising out of the same system failure, event or alleged negligent act shall, to the extent practicable in the determination of the chairman, be consolidated for a single hearing.

(d) Award.

(1) Any award by the NFA Arbitration Program shall be limited to the lesser of the actual loss or the loss that would have been incurred if the claimant had used its best efforts to mitigate the loss. Punitive damages, loss of profits, loss of use, and indirect, incidental or consequential damages shall not be awarded.

(2) The decision of a majority of the NFA Arbitration Program shall be final and binding, and there shall be no appeal to a hearing committee of the MarketAxess SEF. A party may move, within three (3) business days of the award, that the award be corrected to remedy any miscalculation or misdescription or where the award is otherwise imperfect in a matter of form not affecting the merits of the award.

(e) Satisfaction of Award by MarketAxess SEF.

(1) The MarketAxess SEF shall satisfy any award against it subject to its limitation of liability rules and the rules respecting proration among claimants where damages allowed for a defined period of time exceed any limit imposed by MarketAxess SEF Rules.

(2) The MarketAxess SEF may delay paying any award until such time as any applicable proration or limitation can be finally calculated.

(f) Rules of Construction. Nothing in this Rule 803 or Rule 804 shall be construed to create a claim against the MarketAxess SEF, to limit a defense available to the MarketAxess SEF, or to obviate or modify any limitation of MarketAxess SEF liability imposed by any other rule.

Rule 804. Claims Relating to Trade Cancellations or Price Adjustments

All claims relating to price adjustments or trade busts pursuant to Rule 539 shall be arbitrated in accordance with this Chapter.

Rule 805. Right to Counsel

Every Person is entitled to represent his own interests, be represented by an attorney at law of his choosing and at his own expense who is admitted to practice before the highest court in any State, or be represented by any other non-compensated representative at any stage of an arbitration proceeding. An entity must be represented by an officer or owner of the entity or by an attorney at law.

Rule 806. Governing Law

The laws of the State of New York govern the MarketAxess SEF Rules. In the event that this Chapter 8 is held to be unenforceable in connection with any dispute, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in the New York, NY metropolitan area, (ii) the MarketAxess SEF and the Participant involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Participants unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute.

Rule 807. Costs

Each party to the dispute will bear its own costs and expenses in connection with any arbitration hereunder, as well as an equal share of the administrative fees and the fees of the arbitrator; provided, however, that the arbitrator will be entitled to include in any award a full reimbursement for the prevailing party's costs and expenses, such party's share of the administrative fees and the fees of the arbitrator, or any combination of any or all of the above.

CHAPTER 9: CLEARING

Rule 901. Clearing of Swaps

All Swaps that the CFTC has determined are required to be cleared under Section 2(h) of the CEA and those Swaps which will be voluntarily cleared shall be cleared through a Clearing House in accordance with the relevant Clearing House Rules and in conformity with the MarketAxess SEF rules specifically provided in this Chapter 9.

Rule 902. Reserved.

Rule 903. Reserved.

Rule 904. Clearing House Rules

A MarketAxess SEF Swap submitted to a Clearing House for clearing shall be subject to the applicable Clearing House Rules. The clearing services provided by the Clearing House with respect to any MarketAxess SEF Swap, and the rights and obligations of purchasers and sellers under cleared Swaps resulting from Trades executed on MarketAxess SEF (including without limitation rights and obligations in respect of clearing and settlement, variation payments and performance at maturity), shall be governed by the Clearing House Rules, as applicable.

Rule 905. Submission of Trades to a Clearing House

Promptly upon the execution of each Order which is designated on MarketAxess SEF to be cleared by a Clearing House, the MarketAxess SEF shall submit (either directly or indirectly) the Trade to the Clearing House for acceptance for clearing by the relevant FCM(s) and the Clearing House. Any Trade that is designated to be cleared and is executed on the MarketAxess SEF but is not accepted for clearing shall be deemed void *ab initio*. If a Trade is not accepted for clearing due to a clerical or operational error or omission resulting in a mismatch of the terms of the Trade, the MarketAxess SEF shall submit (either directly or indirectly) for clearing a new Trade with terms and conditions that match the terms and conditions of the Trade which was deemed void *ab initio* (except for any terms with errors and the time of execution), provided that:

- (a) both Participants to the voided Trade consent to the new Trade;
- (b) one of the Participants sends an RFQ to the other Participant (which shall not be sent to any other Participant) with terms and conditions that match the terms and conditions of the voided Trade (except for any terms with errors);

(c) each Participant's credit will be checked pre-execution in accordance with the MarketAxess SEF's standard credit checking processes (through which process each FCM shall consent to the new Trade); and

(c) With the Chief Executive Officer's written approval, Rule 1001(a) does not prohibit an Officer or MarketAxess SEF employee from participating in a pooled investment vehicle or other investment vehicle whose investments are directed by a third-party advisor if the MarketAxess SEF Official has no direct or indirect control over transactions executed by the investment vehicles.

(d) MarketAxess SEF Officials, agents and independent contractors of the MarketAxess SEF are prohibited from disclosing material, non-public information obtained as a result of his or her employment, agency relationship or engagement with the MarketAxess SEF where the MarketAxess SEF Official, agent or independent contractor expected or should have reasonably expected that the information disclosed may assist a Person in trading any MarketAxess SEF Swap, any MarketAxess SEF Swap traded on another SEF, or any related underlying commodity or security.

(e) Rule 1001(d) shall not prohibit a MarketAxess SEF Official, agent or independent contractor of the MarketAxess SEF from disclosing material, non-public information while discharging his or her official duties and responsibilities, including disclosures to another Self-Regulatory Organization, linked MarketAxess SEF, court of competent jurisdiction, or a representative of any agency or department of the federal or state government.

(f) For the purposes of this Rule 1001, the terms “material information,” “non-public information,” “linked MarketAxess SEF,” and “pooled investment vehicle” each shall have the meaning set forth in CFTC Regulation 1.59(a).

Rule 1002. Gifts and Gratuities

Rule 1003. Market Data

Rule 1004. Extension or Waiver of Rules

If necessary and expedient, the MarketAxess SEF may, in its sole discretion, waive, or extend the time period for performing, any act or acts designated by the MarketAxess SEF Rules, but only to the extent such waiver or extension is not inconsistent with the CEA or the CFTC Regulations.

Rule 1005. Effect of Amendment, Repeal or New Rule

(a) The effective date of any amendment or repeal of a MarketAxess Rule or adoption of a new MarketAxess Rule relating to MarketAxess SEF Swaps will be binding on all MarketAxess SEF Swaps entered into on or after the effective date of such amendment, repeal or adoption.

(b) RESERVED

Rule 1006. Uncleared Swaps

If a MarketAxess SEF Swap: (i) is not required to be cleared pursuant to the clearing mandate in Section 2(h)(1) of the CEA and (ii) is not designated to be submitted voluntarily for clearing to a Clearing House, the MarketAxess SEF Swap may only be entered into by and between Participants with trading relationship documentation in place that meets the requirements of Applicable Law. In the event that the parties to such Trade have not previously entered into such documentation, such Trade shall be void as of execution, with no cost or other amount payable to either party. Upon becoming aware that such Trade is void, a party to such Trade shall promptly notify the other party and the MarketAxess SEF. If MarketAxess SEF submitted a report concerning such Trade to a SDR prior to receiving such notice, promptly upon receiving notice that the Trade is void, the MarketAxess SEF shall notify the SDR to which the execution of the Trade was reported that the Trade has been cancelled.

Rule 1007. Issuance of SEF Confirmations for Uncleared Transactions

(a) The economic terms specific to the transaction agreed by the Participants on the MarketAxess SEF with respect to an uncleared transaction shall be reflected by the MarketAxess SEF in a written communication (the “Trade Communication”) sent to the applicable Participants. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements, and incorporated industry definitions) governing such transaction existing at the time of such commitment to which the Participants are party (the “Terms Incorporated by Reference”) shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such transaction and
